

## Season's Greetings from Starview Packaging Machinery!

The offices and manufacturing facility of Starview will be operating on the following Holiday Schedule:

- December 24 through December 26, 2018 - Closed
- December 27 & 28, 2018 - Reduced staff / Emergency parts shipments
- December 31, 2018 through January 2, 2019 - Closed
- January 3, 2019 - Resume normal operations

## Coming up in 2019

2018 was a fantastic year for Starview Packaging Machinery! It was our best year to date and we would like to thank all our customers and distributors who helped make it the success it was. We attended several tradeshows across North America and Europe and 2019 is shaping up to be just as busy.

In 2019, we will again be exhibiting at several tradeshows. First up is the *MD&M West / WestPack tradeshow, February 5-7, 2019 at the Anaheim Convention Center in Anaheim, CA*. Combining five tradeshows into one venue, the show will draw 1,900+ exhibitors and 19,000+ attendees over the three-day event.

Located in *booth # 5356*, we will have machines on display producing high-visibility packaging. Additionally, Starview Packaging Machinery now offers equipment that is all electric requiring no pneumatics which are well-suited for cleanroom applications such as pharmaceutical and medical devices, as well as locations where compressed air is not available.
