

# STARVIEW™

## Starview Custom Tooling & Machine Repair Parts

Starview Packaging Machinery produces customized high quality, precision manufactured tooling for Starview equipment and all other brands of Blister Sealing, Clamshell Sealing, Skin Packaging, Die Cutting and Thermoforming machines produced throughout North America.

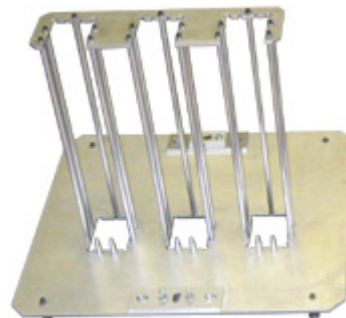

We produce wood, aluminum, anodized aluminum and stainless steel fixtures for all packaging processes, including food, medical/pharmaceutical and industrial.

Molds for thermoforming machines are made in epoxy or solid and cast precision machined aluminum.

Trim dies are laser cut maple die board with CNC bent steel rule for precision cutting in our die cutting systems.

Starview's dedication to quality guarantees our tooling to fit and operate at the optimum performance clients require.

## Spare Parts

We stock spare parts for Starview equipment and all other brands of Blister Sealing, Clamshell Sealing, Skin Packaging, Die Cutting and Thermoforming machines produced throughout North America for your convenience. We also provide maintenance and service for virtually all types of packaging machinery. Contact us with your requests and we will gladly assist in providing you with the parts you require.
