- ★ **Convenient table-top machine**
- ★ **No compressed air supply required**
- ★ **Automatic film cut-off and reloading for clear or random print film**
- ★ **Stainless steel wash down design**

## Description

**Starview's TS Series** machines are designed and competitively priced for "fresh counter" packaging, typically a clear or printed film to a preformed tray for food manufacturing companies, catering, grocery stores, delicatessens, etc.. This series machines can adapt to seal for a wide range of product tray sizes by simply changing the tooling. The TS Series machines make a straight film cut-off leaving film overhanging the edge of the tray. The TS Series sealers will provide years of dependable performance with a minimum of maintenance. For machines capable of higher production rates and/or vacuum or modified atmospheres please consider Starview's Olympus & Perseus Series machines.

## SPECIFICATIONS

<b>Model</b>	<b>TS-75</b>
<b>Max sealing area:</b>	10" x15"
<b>Open loading stations:</b>	1
<b>Seal press actuation:</b>	Manual lever
<b>Max tray depth:</b>	4.5
<b>Max film width:</b>	15.5
<b>Avg. cycle speed:</b>	1-4 cpm
<b>Approximate size:</b>	22W x 24D x 29"H
<b>Approximate wt:</b>	115 LB.
